1954 HEART FUND CAMPAIGN

1. The Heart Fund Campaign for this Agency will be conducted 15 February through 26 February 1954.
2. This campaign is an organized effort to fight heart disease, the Number One Killer in the United States today. Contributions are used to conduct research in the diagnosis and treatment of heart trouble as well as for education of both lay and professional groups in methods of combating the disease. Agency members are urged to contribute to this worthy campaign.
3. Contributions may be placed in special envelopes or plastic heart-shaped containers which will be distributed throughout the Agency. The Services Branch, Employee Services Division, Office of Personnel has been designated to receive and forward all Agency donations.
